Partial Decrees were previously issued for the above-captioned water rights. On August 15, 2014, the Idaho Department of Water Resources ("Department") filed a *Request for Correction of Error*, requesting that this Court correct errors in the quantity and other provisions elements of the *Partial Decrees*. The *Request* asserts, for reasons set forth therein, that the following remark should be added to the *Partial Decrees* under the quantity element:

This step-down cut condition shall be implemented before the step-down cut condition contained in water rights identified as originating from the Stewart Decree is implemented.

The *Request* asserts, for reasons set forth therein, that the following remark should be added to the *Partial Decrees* under the other provisions element:

The step-down cut condition in the quantity element of this partial decree and the subordination condition contained in the priority date element of this partial decree do no modify, amend, or waive any defenses available to this right to call in times of scarcity.

Therefore, it is the intent of the Court to issue *Amended Partial Decrees* correcting the above-mentioned errors in accordance with the corrected recommendations attached to the Department's *Request*. Copies of the proposed *Amended Partial Decrees* are attached as Exhibits A - I.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **December 16, 2014, at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-215-446-0193 and when prompted entering code 406128 followed by the # sign. **However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record.**
