Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 95-13139.

Dear Mr. Hilton:

I have reviewed Kootenai County Assessor records to determine if evidence is available to show domestic use of water from Lake Coeur d'Alene for your Lot 18 and lot 19 property at Driftwood Point. Evidence was found to indicate Domestic water use before May 20, 1971 for Lot 19. Evidence was not found to indicate Domestic water use before May 20, 1971 on Lot 18.

Please review, date, sign, and return the enclosed Amended Claim 95-13139, with any necessary initialed corrections to the IDWR address shown above. This Amended Claim is for your Lot 19 property.

You must provide evidence for Lot 18 Domestic use of Lake Coeur d'Alene before May 20, 1971 in order for IDWR to recommend your Claim to the Court. You will have to complete an Application for Permit for use of the Lake if use began after May 20, 1971.

My telephone number is (208) 762.2800. Please contact me if you have questions about a CSRBA Claim or Eric Davis with questions about an Application for Permit.

Respectfully,
