Dear Mr. Hathaway,

Enclosed you will find our **Idaho Water Rights Primer** brochure which explains how a water right is established and various types of water rights.

Forms that you will need to establish new water rights are available on our website or from one of our offices. You may also want to consider making an appointment with a Water Rights Agent at our Northern Region Office in Coeur d'Alene for any assistance you may need. Their office can be contacted at 208-762-2800.

If you have any questions, please do not hesitate to contact me at 208-287-4909 or 1-800-451-4129.

Sincerely,

Lori Harris
