

I, Duffer S Keith Michael, know that in May 1971 there was a trailer home on a portion of Lot 9, Block 1 of Sylvia's Haven. A house was built at that place in 2004.

This trailer home and the home on the other portion of Lot 9, Block 1 (Hawks now) were both serviced water from the well at T46N, R02W, S7, NESE of Benewah County.

Thanks, Linda, for
your help. Duffer actually
lived in the trailer (with
water 😊) during this time.
