Memorandum for Record:

SUBJECT: Coeur D'Alene Spokane River Basin Adjudication (CSRBA) Claim 94-9365 Priority Date

I telephoned Mr. David C. Reynolds at approximately 9:00 A.M. today concerning his missing Priority Date on Claim 94-9365. I confirmed that the well (D0067709) on Mr. Reynolds property has not been placed into service.

Mr. Reynolds was insistent that he did not wish to have his filing fee refunded because he intends to place the well into service by summer 2015 and does not want to have another payment to make at the time the well pump is installed. Mr. Reynolds also confirmed that he must submit evidence that the well has been placed into service before IDWR can recommend that Claim 94-9635 be allowed.
