RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Nos. 91-7138 & 91-7845

Dear Ed,

Per our phone conversation, enclosed are the claims for water right 91-7138 for the pond, and 91-7845 for the domestic well. Please review these claims and make sure that they represent how you would like to have these water rights filed. The irrigation element has been removed from 91-7138 as we discussed. The filing fees for these claims are \$51.00 for 91-7138 and \$25.00 for 91-7845.

Also enclosed, is a **Request for Extension of Time** form that you will want to fill out and return to us explaining the reason that 91-7138 was not filed by the filing deadline. If this extension is approved you will not be required to pay the \$50.00 late fee.

If you plan to take these claims and file them at our Northern Region office in Coeur D'Alene, you may want to call and set up an appointment with an agent. Their office can be reached at 762-2800.

If you have any questions, please do not hesitate to contact me at 208-287-4909.

Sincerely,

Lori Harris
