St. Maries, Idaho 83861

1. Describe the portion of the proposed recommendation which you disagree (e.g. priority date, period of use, source): Quantity recommended and adjudication recommendation map.
2. Describe the changes you wish to make to the proposed recommendation:
 - A. 0.04 cfs
 - B. Point of diversion and place of use based on the attached map.
3. Give a brief explanation as to why you disagree with those portions:
 - A. The recommended quantity is .03 cfs. The claim is for a domestic well for one household. Claimant requests an adjudicated right to .04 cfs based on typical a single household domestic use.
 - B. The map included with the recommendation does not appear to be correct. The well is on the north side of the highway. It serves a house on the south side of the highway. An accurate depiction of the place of use and place of diversion is shown on the attached map.

Dated this 21 day of November, 2014.
