Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 92-10957

Dear Mr. and Mrs. Sotin:

Please telephone me about an amended CSRBA Claim after you have reviewed the enclosed map and copy of your existing Claim (92-10957). Additional information is needed about your Priority Date(s), ownership of Place of Use parcels, the location and legal access to the Spring, and the quantity of water that you are claiming.

Please mark and label the enclosed map with a dark pen to show the correct location for the spring and route of water line to your parcels. The map should be returned to me at the address shown above after we have discussed your Claim.

My phone at the Idaho Department of Water Resources Northern Region office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
