Mr. Meligan,

I am reviewing your claim to a water right in the CSRBA. You filed this claim and listed the property as located in T48N R03E Section 12, Lot 1 and/or SWNE. I searched every taxlot in section 12 and did not find any properties with your name. If you still wish to pursue this claim to a water right I will need additional information as to the location of your parcel and the location of the well. Without further information your claim will be Disallowed.

Please let me know if I can help you in identifying your water right.

Sincerely,

Steve Clelland
