RE: CSRBA CLAIM 94-8500

Dear Mr. Pine,

Your claim to a water right (enclosed) is being reviewed for recommendation. I am unable to confirm the location of your point of diversion from the mine portal as you claimed. I cannot identify the correct place of use or the house where the water is used. (This is for property located at 4612 Burke Rd, Wallace, ID.) **Would you please review the enclosed map and mark the location of these two locations on the map and return it to me?** Without this information your claim may not be accurately recommended to the CSRBA court. I have enclosed a return envelope for your use as well.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
