RE: CSRBA CLAIM 94-8729

Dear Mr. and Mrs. Clemens,

Your CSRBA claim as filed with IDWR has a claimed priority date of 1930. According to research done by our staff in the Coeur D'Alene office, the actual priority date or use of this water may date back to April 30, 1896. See the enclosed memo, Gem Hill Water Users, to review that research. If you would like to amend your claim to reflect that earlier date of use, please sign and return the enclosed Amended Notice of Claim and return it to me at the address shown at the top of this page.

Please respond to this amendment process within 14 days of this letter. Without your response your claimed priority date will be recommended as originally claimed.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
