Re: Amended Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim 91-7246

Dear Claimants:

Enclosed is the Amended CSRBA Claim 91-7246 for signature that we discussed via telephone earlier today. This Amended Claim changes the number of Recreational Vehicle (RV) Domestic hookups you are claiming from three to four. This change is in accordance with the Notice of Error that you provided to Idaho Department of Water Resources (IDWR) in September 2014.

Please review the enclosed Amended Claim, copy of your original Claim 91-7246, and IDWR Map. Please mark and label the correct location for your well and the RV sites on the map and attach the map to your Amended Claim. The labeled map and signed Amended Claim must be returned to the IDWR Northern Region office as soon as possible in order for your Amended Claim to be reviewed and included in IDWR's Director's Report to the Court.

Please telephone me if you have any questions before returning your signed Amended Claim and labeled IDWR map. My telephone number at the IDWR Northern Region Office is (208) 762.2800.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
