Motions to File Late Notice of Claim were filed in the above-captioned subcases. On May 22, 2013, this Court entered an *Order* granting the *Motions*. The Director filed his *Late Claim Director's Report* on December 31, 2013, recommending that the claims be decreed disallowed. *Objections* to the Director's recommendations were subsequently filed. On January 9, 2015, the Court entered an *Order Granting In Part and Denying In Part Motion for Summary Judgment* ("Summary Judgment Order"). In the *Summary Judgment Order*, the Court directed for reasons stated therein that the above-captioned subcases should proceed in a consolidated fashion. Further, that if a water right is established through the SRBA process with respect to the above-captioned competing claims, only one partial decree will issue with the United States Bureau of Reclamation appearing in the name and address section of the partial decree, accompanied by the standard *Pioneer* remark evidencing the ownership interests of the consumers or users of the water.

THEREFORE, BASED ON THE FOREGOING, THE FOLLOWING ARE ORDERED:

1. Subcase numbers 01-10616 and 01-10618 are hereby consolidated into subcase number 01-10620. All further captions used in this proceeding shall be styled as shown above.
2. It is hereby ordered that this matter is referred to Special Master Terrence A. Dolan to preside over the matter and to conduct all further proceedings necessary to issue a

recommendation consistent with this Court's *Summary Judgment Order* and *SRBA Administrative Order 1, Rules of Procedure*.

IT IS SO ORDERED.
