RESPONSE DEADLINE
DATE: September 5, 2014

Dear Mr. or Ms. Cracchiolo:

I'm writing in regard to the Notice of Claim you filed on November 28, 2011 for domestic use of a well in Shoshone County on parcel number RP50N03E237850A.

On November 29, 2011 we returned this claim to you because it appeared the priority date claimed was the date that the claim was completed, rather than the date that the well was first put to use. On February 19, 2014, we sent you a second request for this information and because we hadn't heard from you I contacted you on May 9, 2014 at (916) 716-6045 and left a message regarding the above. To date, we haven't received a response.

Are you still interested in including this claim in the CSRBA? If so, please return the claim so we can complete the recommendation. If you do make a change to the priority date, please date and initial the change under item two. If you prefer not to include this claim in the CSRBA, I've enclosed a request for withdrawal of the claim.

Please return this information, to my attention, by the response date shown above. If we do not hear from you by that time, we may need to recommend your claim be disallowed in the CSRBA. If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent

MEMO

Date: May 9, 2014

To: Claim File 94-8717, Vince Cracchiolo

From: Linda Werner, Water Resource Agent J.W.

Subject: Returned Claim Due to Evidence of Priority

On 11/29/2011 we returned his claim so he could amend the priority date.

As of February 19, 2014, we hadn't received the claim back so I sent him a letter asking if he'd like to include the claim in the CSRBA and if so, to return the claim by March 20, 2014. As of May 9, 2014, we haven't received a response.

Rather than send another letter I called him at the phone number listed on the claim, 916-716-6045, and left a voice message for him to contact me or return the claim as soon as possible, and left my direct phone number.

I will hold off on making any recommendation until the week of May 12, 2014.

Dear Mr. or Ms. Cracchiolo:

I'm writing in regard to the Notice of Claim you filed on November 28, 2011 for domestic use of a well in Shoshone County on parcel number RP50N03E237850A.

On November 29, 2011 we returned this claim to you because it appeared the priority date claimed was the date that the claim was completed, rather than the date that the well was first put to use. This is known as the beneficial use date. I'm currently reviewing our records for recommendation in the CSRBA and noticed that we haven't received a response to our request.

Are you still interested in including this claim in the CSRBA? If so, please return the claim so we can complete the recommendation. If you do make a change to the priority date, please date and initial the change under item two. Please return this information, to my attention, by the response date shown above. If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.
