Dear Gerald & Cheryl,

We have been advised you may be the new owners of the property with the water right referenced above (see enclosed report).

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right 92-10507 is appurtenant to property you own. Before we can modify our records to reflect your ownership of this water right, we need to have the enclosed Notice of Change of Water Right Ownership form completed and submitted with the proper documents showing your ownership. Please follow the instructions included with this form and return to our office with all of the required information.
