RE: CSRBA CLAIM 94-2081

Dear Mr. & Mrs. Nemeth,

Your claim to a water right is being reviewed for recommendation. I am unable to confirm the location of your point of diversion from the stream near Granit Gulch Creek as you claimed. I am sending you a map to mark out the point for your claim. There is also a portion of the map that includes the place of use you claimed – the SE ¼ of Section 22. Would you draw boundaries on the map of where the water is used?

Additionally, you must sign and date the enclosed copy of your claim. Without a signature the claim is not valid.

Without this information your claim may not be accurately recommended to the CSRBA court. I have enclosed a return envelope for your use as well.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
