RE: CSRBA CLAIMS 94-8396 & 94-8397

Dear Claimant,

Your two claims to a water right are being reviewed for recommendation. I am unable to confirm the location of your points of diversion from the spring or the well as you claimed.

Would you please review the enclosed map and mark the locations of the well site and the spring site on the map and return it to me? Is there an additional point of diversion from the CDA River as well? Please mark it also. Your claims indicate both water sources are used in the same home – is that correct? Without this information your claim may not be accurately recommended to the CSRBA court. I have enclosed a return envelope for your use as well.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
