Dear Ms. Lenox:

Enclosed is an amended Notice of Claim as discussed in our phone conversation of Friday, February 13, regarding the priority date being claimed as the day you signed the claim form versus what is shown on the well drillers report (copy enclosed).

I've amended the priority date (item 2) to August 19, 1998, based on the date that the well was completed. Also, I'm enclosing a change of address form as I noticed the address on the computer generated claim form shows a PO Box rather than a street address.

Please review the amended claim and if everything is satisfactory please sign and date under item 15 and return to my attention as soon as possible. I also ask that you complete the address change form as we have two different addresses in our data base.

Please don't hesitate to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely, -

A handwritten signature in cursive script that reads "Linda A. Werner".
