Additional explanation or supporting documentation of the error:

Water right 02-7070 was split multiple times in the SRBA. A change of ownership for a portion of water right 02-10250, one of the splits of water right 02-7070, resulted in the creation of water right numbers 02-10341 and 02-10342. The partial decree for this subcase issued May 12, 2009, inadvertently lists the quantity under the Purpose and Period of Use element as 0.019 cfs. The correct quantity under the Purpose and Period of Use element should be 0.063 cfs to match the total quantity element listed in the partial decree.
