	)	SECOND UNOPPOSED MOTION OF THE
	)	UNITED STATES TO EXTEND DEADLINES
	)	

The United States of America ("United States") files this unopposed motion requesting that the Court extend the current March 2, 2015 disclosure and filing deadlines in these subcases. The following grounds are presented in support of this Motion.

1. On August 14, 2014, the Court issued its Order Regarding Stipulation for

Scheduling and Planning, ordering the party to complete and file a Stipulation for Scheduling and Planning by September 10, 2014.

2. On September 10, 2014, the parties filed their Stipulation For Scheduling And Planning in these subcases (“Stipulation”). Such Stipulation included a January 30, 2015 deadline for the United States to disclose expert and lay witnesses, including all corresponding information required by I.R.C.P. 26. The Stipulation also provided that January 30, 2015 is the last day to file motions to add additional parties or to amend the claims.

3. On January 27, 2015, the United States filed an unopposed Motion to Extend Deadlines (“Motion”), informing the Court that the parties had recently reached an agreement in principle to settle these subcases and requesting that the Court extend the January 30, 2015 disclosure and filing deadlines listed in paragraph 2, above, for 30 days until March 2, 2015. The Motion also requested that a status conference be scheduled prior to the March 2 deadline so that the parties could report to the Court on the status of settlement.

4. On January 27, 2015, the Court granted the United States’ Motion and scheduled a status conference on February 24, 2015.

5. On February 17, 2015, due to a scheduling conflict, the Court rescheduled the February 24 hearing for March 3, 2015.

6. The United States now requests that the Court extend the March 2 disclosure and filing deadlines listed in paragraph 2, above, until March 3 so that the parties have an opportunity to report to the Court on the status of settlement prior to running of such deadlines. At the March 3 hearing, the United States will propose a schedule for completing settlement, including a request for a longer stay.

7. On February 25, 2015, the counsel for the State of Idaho informed undersigned counsel that they do not oppose this Motion.

DATED this 26th day of February, 2015.
