FROM: Linda Werner, Water Resource Agent *L.W.*

SUBJECT: Phone Conversation w/Tracy Carrigan in re Ownership and Water Usage

A check of the taxlot information shows the property is now owned by American West Bank, 110 S Ferrall, Spokane, WA.

Per conversation on February 5, 2014, with Mr. Tracy Carrigan, bank employee; he states that the bank does own this property and that there is only one home on the property which is livable. The other seven are demolished.

Consequently, I've sent him a copy of the claim as filed by the original owner, along with a blank notice of claim, which he will complete with the updated information, and return to me for further recommendation.
