On March 3, 2015, a status conference was held in the above-captioned subcases. At that hearing, the parties represented to the Court that a settlement regarding the above-captioned water right claims has been reached in principal. The parties requested additional time to finalize settlement documents, and notified the Court that the United States would be moving the Court to file several amended claims. The parties requested that the deadline previously set for the United States to motion to amend it claims be extended until March 31, 2015. Further, that in anticipation of the filing of *Motions to File Amended Notice of Claim* by the United States, that this Court (1) set a deadline of May 15, 2015, for the filing of responses in opposition to any *Motion to File Amended Notice of Claim*, and (2) set a hearing on any *Motion to File Amended*

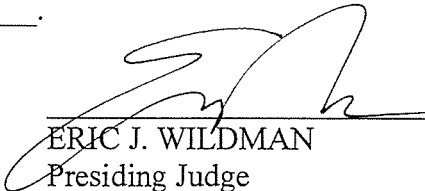

Notice of Claim for May 19, 2015. Last, the parties requested that the litigation schedule set forth in the parties' *Stipulation for Scheduling and Planning* dated September 10, 2014, be stayed pending further Court order.

THEREFORE, BASED ON THE FOREGOING, THE FOLLOWING ARE HEREBY ORDERED:

1. The deadline for the United States to file *Motions to File Amended Notice of Claim* is hereby extended until **March 31, 2015**.
2. The deadline for filing responses in opposition to any *Motion to File Amended Notice of Claim* filed by the United States on or before March 31, 2015, **shall be May 15, 2015**.
3. Notice is hereby given that a hearing on any *Motion to File Amended Notice of Claim* filed by the United States on or before March 31, 2015, is set for **May 19, 2015 at 1:30 p.m. (Mountain Time)** at the Snake River Basin Adjudication District Court, 253 3rd Avenue North, Twin Falls, Idaho. Telephone participation will be available by dialing 1-215-446-0193 and entering 406128# when prompted. However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record. Video conferencing ("VTC") will also be available by appearing at the Idaho Department of Water Resources, Idaho Water Center, 322 E. Front St., Conference Rm. B, Boise, Idaho.
4. The litigation schedule set forth in the parties' *Stipulation for Scheduling and Planning* dated September 10, 2014, **is hereby stayed pending further Court order**.

IT IS SO ORDERED.

DATED: March 3, 2015.
