Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA)
Claim 94-4076 (Blue Wine Mining Co.)

Dear Shaun:

This is a follow-up to our telephone conferences of February 25, 2015 regarding the above.

We discussed the location of the well. I have discussed this matter with Herbert J. Zanetti, Jr. and the well is located on Parcel No. RP48N04E147050. This is the property previously owned by Herbert Zanetti, Sr. and Ruth Zanetti which was sold in 2006 to Blue Wing Mining Company. A copy of the Warranty Deed was included in the Notice of Claim dated December 13, 2011. I am returning the colored Shoshone Parcels Map and have placed a pink triangle with an arrow on Parcel RP48N04E147050 showing the location of well. I believe the Parcel Map provided by Shoshone County is inaccurate in its description wherein it shows the location of the well to be to the south of the boundary for the foregoing parcel. It is my experience that the County's aerial parcel maps distort the location of property lines when they are transposed on maps.

I have also marked on the attached colored map by crossing out Parcel RP48N04E133950 to indicate that this parcel does not have water service.

Parcel RP48N04E133960 constitutes other land owned by Blue Wing Mining Company and not a part of the water system for 94-4076. This parcel number should not be on the map. The remaining parcel numbers all have water

service. Therefore, there are nine (9) parcels on the map which have water provided by the 94-4076 water system, to-wit:

- RP48N04E147225
- RP48N04E135300
- RP48N04E147050
- RP48N04E135310
- RP48N04E147000
- RP48N04E133900
- RP48N04E142275
- RP48N04E133910
- RP48N04E134000

The above parcels have no more than one home/user per parcel. Please let me know if you have any further questions.

Very truly yours,
