Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim 94-7076 (Blue Wing Mining Co.)

Dear Mr.: Branstetter:

Idaho Department of Water Resources (IDWR) has reviewed CSRBA Claim 94-4076 for Blue Wing Mining Co. Additional historical information, information about the current Point of Diversion and Place of Use, and / or an Amended Claim are required before IDWR can complete a Recommendation to the Court for this Claim.

Please contact me after you have reviewed the enclosed copy of CSRBA Claim 94-4076, IDWR map, and enclosed property tax parcel records. Please note that the original Statutory Claim 94-4076 location for the well (Blue Dot on IDWR Map) differs from the location reported on CSRBA Claim 94-4076 (Property tax parcel shown in Red). The current property tax parcels and number of homes per parcel that are on the 94-4076 water system must also be shown on the Claim.

My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
