Re: Evidence for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim 94-4076

Dear Mr. Branstetter:

Thanks for your March 4, 2015 letter about CSRBA Claim 94-4076. The information is sufficient for Idaho Department of Water Resources (IDWR) to finish a recommendation to the Court. The quantity recommended will be less, and the Priority Date will be later, than on the original Statutory Claim unless additional evidence is provided to IDWR of beneficial use (Domestic) by Oct. 8, 1956 on three tax parcels.

Please review the Shoshone County tax parcel printouts provided by IDWR on the following tax parcels:

<u>Parcel</u>	<u>Owner</u>	<u>Year Built</u>
RP48N04E135300	Zanetti, H. Jr. & Kathy	1960
RP48N04E135310	Zanetti, H., Jr. & Kathy	1997
RP48N04E142275	Howard, Michael & Janet	1974

Evidence that the beneficial use (Domestic) was underway by Oct. 8, 1956 on the above parcels is required before IDWR can include these parcels in our recommendation for 94-4076 with an Oct. 8, 1956 Priority Date.

Enclosed is a draft Amended Claim 94-4076 to correct the point of Diversion (POD) and Place of Use legal descriptions that we have previously discussed. The Amended Claim also corrects the end point for annual period of use to read Dec. 31. Please return the signed Amended Claim 94-4076 and additional parcel evidence to me. No additional fee is required. Please telephone me at (208) 762.2816 if you have questions.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
