STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

Case No. 39576	)	
	)	ORDER GRANTING MOTION FOR
	)	EXTENSION OF TIME
	)	
	)	
	)	
	)	

On November 20, 2014, Don and Cheryl Masters (collectively, "Claimants") filed a *Motion for Determination of Deferred De Minimis Domestic or Stock Water Use* in the above-captioned subcase. On December 15, 2014, the Idaho Department of Water Resources ("Department") filed a *Notice* evidencing its intent to conduct an examination of the claim and file a director's report with the Court on or before March 31, 2015. On March 6, 2015, the Department filed a *Motion for Extension of Time*, requesting that its March 31, 2015, deadline be extended until after an *Affidavit of Publication* is filed by the Claimants in this matter. The basis for the *Motion* is that although the Claimants have filed their *Motion for Determination of Deferred De Minimis Domestic or Stock Water Use*, they have not yet filed an *Affidavit of Publication* establishing that they have caused to be published a notice of the pendency and purpose of their *Motion* in a newspaper of general circulation in the county in which the point of diversion is located as required by this Court's *Order Governing Procedures in the SRBA for Adjudication of Deferred De Minimis Domestic and Stock Water Claims*, dated June 28, 2012. After reviewing the file, and in an exercise of its discretion, the Court, for good cause appearing, will grant the *Motion for Extension of Time*.

THEREFORE, BASED ON THE FOREGOING, THE FOLLOWING ARE HEREBY ORDERED:

1. The Department's *Motion for Extension of Time* **is hereby granted.**
2. The deadline previously set for the Department to conduct an examination of the above-captioned claim and file a director's report with the Court **is hereby vacated.**
3. The Department shall conduct an examination of the above-captioned claim and file a director's report with the Court within 30 days following the filing of the Claimants' *Affidavit of Publication* in this matter.

Dated March 10, 2015
