Re: 94-8041

Dear Mr. and Mrs. Hanan:

We are returning your Notice of Claim. The date of priority is listed as "mid 1970's". When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used, regardless of who owned the property. If the priority date of your claim is incorrect, please change the date and return the claim. If the water was first used after May 20, 1971, then you need to file an application to secure water rights.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn Monitz". The signature is written in dark ink and is positioned above the printed name and title.
