I want to confirm that we do not need to do any other paper work to make sure that our water right is secure. I checked our water right and it was a little confusing. Under the Conditions of Approval it says "Amended in a word document update when claim received". Does this mean you received the signed copy from us? The water right is under my husband's name; Dennis A. Riley and the number is 94-7777. Please let me know if you have everything you need from us or if we still need to do something. Thank you.

Memorandum for Record:

SUBJECT: Coeur D'Alene Spokane River Basin Adjudication (CSRBA) Claim 94-7777

I replied to Lisa Hawdon and spoke with her via telephone today in response to her e-mail to IDWR concerning CSBA Claim 94-7777 (Riley). I mailed her a draft Amended Claim addressed to Dennis A Riley for 94-7777 and explained that a new claim would be needed for the pond on her property. A Adjudication Change of Address form and blank claim form / instructions for filing a new CSRBA pond claim were also mailed.
