A notice of claim was filed for water right no. 93-7010 on March 26, 2014, correctly identifying the Place of Use (POU) element for Section 29 as being in Township 45 North. A clerical error in data entry placed the POU element for Section 29 in Township 44 North. This error was reflected in the Director's Report filed on March 27, 2014, and partially decreed on January 26, 2015, with the error in the POU description.

The Idaho Department of Water Resources requests that the POU description for Water Right No. 93-7010 be changed from T44N, R05W, S29 to **T45N**, R05W, S29.
