Re: Well for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim 94-7732

Dear Mr. Sverdsten:

Idaho Department of Water Resources (IDWR) has reviewed your Internet CSRBA Claim (94-7732) for Domestic use of a well (Ground Water) on Kootenai County parcel 49N01W245525. A copy of your Claim, a 1966 Well deepening Driller Report, and maps are enclosed.

Please telephone me about the Priority Date shown on your Claim, the enclosed well deepening Driller's Report (94-66-N-5), and the correct location for your well. Your help is needed to insure that IDWR makes an accurate recommendation to the Court on your Claim. IDWR also needs to determine if the well shown on the Report was previously used by Canyon Elementary School.

Please mark the location of your well with a dark 'X' labeled 'WELL' on the attached map. The completed map should be mailed to me at the IDWR Northern Region office after we have spoken via telephone.

My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
