RE: CITY OF SMELTERVILLE, IDAHO

To Whom It May Concern:

I am the City Attorney for the City of Smelterville. I was contacted by "Steve" from your Department and he advised me that the City of Smelterville owes some additional fees for the application for water rights for their City park. Steve explained the City owes an additional \$25.00 for non-residential property and \$1.00 per acre in additional fees.

Enclosed please find my check no. 8665 in the amount of the additional \$26.00. Please apply these fees to the City's application, if you would please. Thank you very much!

Sincerely,

Hollis J. Anderson
