Claim to a Water Right

I, Carl Cochrane, am making this statement to identify the domestic use of water on the property of the above claim as best as I know it.

I have lived in the Rose Lake/Bull Run Lake area my entire life. My maternal grandparents, Carl and Elsie Schwiger, owned a farm on the property in question from 1945 to 1950. I can personally remember them using this water supply as early as 1945. As a child, I can remember walking up the stream to the concrete catchment box at the head of the water system.
