A *Partial Decree* was issued for the above-captioned water right on August 18, 1998. On March 23, 2015, the Idaho Department of Water Resources ("Department") filed a *Request for Correction of Error*, requesting that this Court correct errors in the point of diversion and place of use elements of the *Partial Decree*. The errors are set forth in strikethrough format in the *Proposed Correction to Partial Decree* attached to the Department's *Request*. Any party wishing to object or comment on the Court's proposed action shall do so at that time.
