Re: 94-9081

Dear Mr. Hoiland:

We are returning your Notice of Claim. One claim cannot contain a ground water source (well) and a surface water source (Clark Creek). You need to file two claims if you want both water rights confirmed. We have enclosed a blank form for your use. As a suggestion, the amount of water for the domestic use is lower than most people list. They list the 0.04 cfs for the amount.

Sincerely,
