SUBJECT: Notice of Claim 94-9081 Filed in the Coeur D'Alene-Spokane River Basin Adjudication

Dear Mr. or Ms. Hoiland:

In regard to our phone conversation of Thursday, March 19, 2015; enclosed is a copy of the Notice of Claim which represents your well water usage for domestic and stockwater purposes. Since your daughter now owns the property, you may add her name to yours under item one, name of claimant; than it will not need to be forwarded to her and we can complete the ownership change at a later date.

Also, I've enclosed a map of the area; would you show where the well and places of use are located and return this with the claim? You'll see that the claim lists two areas for the diversion point and two separate areas for the stockwater and domestic usage. The claim should be amended to represent the actual diversion and place of use. To do this, please make any corrections to the claim by lining out the incorrect areas and initialing and dating those changes.

We will be submitting this information for inclusion in our Director's Report within the next several months, so if you would return this information, to my attention, by April 21, 2015, that will allow us to review the claim for recommendation for decree in a timely manner. Be sure to contact me if you have any questions or concerns. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
