Re: CRSBA Basin 92 Water Users  
In Re CSRBA Case No. 49576 – Water Right(s): 92-7103

Dear Sir or Madam:

This firm represents Essential Oil Research Farm, LLC/dba Young Living Lavender Farm ("Young Living"). Young Living received the enclosed materials concerning IDWR's initial investigation of water right claim(s) for the CSRBA Basin 92 addressed to Gary & Linda Worley, PO Box 246, St Maries, ID 83861.

**PO Box 246, St. Maries is the PO Box for Young Living.** Young Living apparently received a letter in July (returned) and another in January from DWR addressed to the Worleys at this PO Box number. Young Living does not know and cannot find the Worleys listed in St. Maries, Idaho. We found a phone number for G and L Worley on the Internet, but it is no longer in service. We have no information about the Worleys. I called the Adjudication's information number listed on the enclosures. They confirmed that the Worley claim lists the address as PO Box 246, and it appears that way on DWR's on-line files. But, this PO Box number does not belong to the Worleys. It appears that the PO Box listed on their water right claim is an error.

We attempted to locate a number for John Olson, also listed as owning the water right, but cannot find a phone number for John Olson at the street address listed in the water right profile.

We return these documents to you for further action to correct the address of water right claimant the Worleys.

Very truly yours,

Tiffany Nelson,
