Subject: Phone Conversation with Lisa Hawdon on April 3, 2015, Regarding Water Usage

I contacted Ms. Hawdon for clarification on the water usage claimed on Notice of Claim 94-9388 received on April 2, 2015. The source of water claimed is an unnamed stream/spring; she wasn't sure.

Water usage claimed as three separate uses; stock, domestic and storage. Ms. Hawdon states that water is used for: stockwater, domestic, stockwater storage and domestic storage. The stock drink directly from the pond and the domestic usage consists of them manually filling a bucket from the pond to water trees.
