RE: Claim 94-4222

Dear Mr. Clelland,

Enclosed is a notarized affidavit regarding the approximate age of the pond on my property. I spoke to three individuals who knew the Hendrickson Family and had knowledge about the pond. From their conversations, it appears the pond was in existence in the early to mid-40s.

If you require any other information, please contact me. Thank you.

Sincerely,

Greg Saylor

GENERAL AFFIDAVIT

The within named person (Affiant), Greg Saylor, who is a resident of Shoshone County, State of Idaho, personally came and appeared before me, the undersigned Notary Public, and makes this his statement, testimony and General Affidavit under oath, in good faith, and under penalty of perjury, of sincere belief and personal knowledge that the following matters, facts and things set forth are true and correct, to the best of his knowledge:

To: The Idaho Department of Water Resources; Claim 94-4222

On March 26, 2015, I talked to Mary Hendrickson Culver, widow of Walt Hendrickson, about the pond that David R. Scott had on his property. She stated she and Walt were married in 1955 and said the pond was there for a good 10 to 15 years before that. That would put the existence of the pond in the early to mid-40s. Mary used to live across the road from me. She later re-married and

moved to Smelterville. Her address is:
P.O. Box 152
110 D Street
Smelterville, ID 83868
208-786-4451

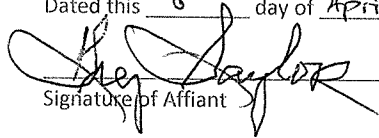

On March 29, I talked to Wayne "Bud" Koski, a cousin to Mary Hendrickson Lunen. He was born in 1938 and says his family would often make a day of visiting the Hendrickson Family. He remembers playing at the pond when he was 7 or 8 years old, which would put the pond's existence in the mid-40s. His address is:
P.O. Box 42
319 Hunter Street
Mullan, ID 83836
208-744-1204

On April 2, I talked to Maurice "Mo" Pellissier, brother of Rosie Pellissier Goggins, who married Ed Hendrickson, and lived across the road from me. She passed about two years ago. Mo says he remembers swimming in the the pond when he was

a young boy in the 40s. His address is: 311 Pine Street
Wallace, ID 83873
His address is: 208-556-5305

All three individuals I spoke to said the pond was there in the early to mid-40s. Two of the individuals said it may have been there in the 30s, but just don't remember. This is the best information I was able to discover. Unfortunately, I was unable to find any relatives of David R. Scott.

Dated this 8 day of April, 2015.
