Re: Priority Date for CSRBA Claim 94-7847

Dear Mr. Clelland:

I am writing on behalf of my client, John M. Brewster, in response to your March 12, 2015 letter requesting evidence of the priority date for the "Recreation Storage" use of the above described claim.

After discussing the matter with my client, it appears there is no Recreation Storage use for this particular claim. The Recreation Storage use claim was submitted in error because of a clerical mistake. However, the Stockwater, Stockwater Storage, and Fire Protection Storage uses, and priority dates claimed are correct as listed on Mr. Brewster's notice.

Your letter indicates that no evidence of the priority date for the Stockwater, Stockwater Storage, and Fire Protection Storage uses is necessary. If this is correct, please recommend the court decree the notice for those uses as claimed. Please contact me at (208) 664-4700 or by email at travis@macomberlaw.com if you have any further questions.

Best Regards,
