RE: Recommendation of Right 37-20432
Snake River Basin Adjudication (SRBA)

Dear Mr. Monroe:

Enclosed please find a letter from Carter Fritschle explaining what happened with SRBA claim 37-20432. The SRBA was finalized August of 2014, so there are some steps you will need to take in order to get the water right decreed. I recommend that you send a letter to the SRBA Court (address below) and ask them to set aside the disallowal of 37-20432, and include a copy of Mr. Fritschle's letter.

Snake River Basin Adjudication Court
P.O. Box 2707
Twin Falls, Idaho 83303-2707

Once the Court receives your letter they will set a hearing date to determine if the disallowal should be set aside. If a motion gets filed on or prior to the last day of the month (say by the end of April), it appears on the next month's docket sheet (in this case, May). The motion will be heard on the third Tuesday of the second month following its docket sheet appearance (July 21 in this case).

If you wish to expedite the process, motions to expedite and supporting documents need to be sent to each person listed on the Court's SRBA Mailing List (Court Certificate of Mailing) available from the Court's web site at: <http://www.srba.state.id.us/MAIL12.HTM>. Any responses filed to motions to be heard on an expedited basis need to be filed with the court at least a day before the hearing. Normally, the motion to expedite will be heard prior to hearing the motion being expedited. Should the motion to expedite be denied, the regular motion will be heard according to docket sheet procedure.

Should the original motion be granted by the SRBA Court and a Director's Report ordered, IDWR would require time to investigate the claim (usually 60 days) and prepare the Director's Report. Deadlines would be set for objections and responses to be filed—

usually 60 days each from the deadline for filing the Director's Report. These procedures are detailed in SRBA Administrative Order 1 Rules of Procedure also available from the Court's web site noted above. You may find it helpful to review these rules in making your decision. If you choose to use the expedited process, you may consider contacting the Court for additional guidance.

Please let Mr. Fritschle or I know if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Meghan Carter', with a stylized flourish at the end.
