RE: Recommendation of Right 37-20432
Snake River Basin Adjudication (SRBA)

Dear Mr Monroe:

I am writing to inform you that the Idaho Department of Water Resources (IDWR) has recently discovered that a recommendation for right 37-20432 was not sent to the Snake River Basin Adjudication (SRBA) Court, despite a claim for that right being filed with IDWR in 1988 by your predecessor in interest Harry Rinker. While IDWR reported the two related rights 37-20434 & 37-20436 in 2007, it failed to report 37-20432. It is unclear how the oversight was made.

Please feel free to contact me at my direct line (208) 287-4917 if you have any questions. I have included a copy of the original claim filed with IDWR for your reference.

Sincerely,

For
Carter Fritschle
Manager, Adjudication Section
