Re: 95-4332 & 95-4333

We are received your Notice of Claim in the North Idaho Adjudication for 95-4333 to take water for Lake Coeur d'Alene. The claim has a statement that the water from the spring is no longer being used (Water Right number 95-4332). We recognize you as the current owner of 95-4333. We also understand that Bill Fanning is not interested in water right 95-4333 and has filed an application in his name to withdraw from Coeur d'Alene Lake.

If you have any questions, please contact us.

Sincerely,

RE: 95-4333

Dear Mr. Stanton:

On July 23, 2009, you submitted a Notice of Claim based on a previous filed claim (95-4333). We just finished completing a Change of Ownership for that right to William Fanning. Our question is: Who is the owner of this right and is there proof of the ownership of the right?

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
