SUBJECT: Coeur d'Alene-Spokane River Basin (CSRBA) Notice of Claim to a Water Right Number 94-8197

RESPONSE DUE DATE: MAY 1, 2015

Dear Mr. or Ms. Layton:

The Notice of Claim to a Water Right referenced above was filed on October 8, 2010, for an irrigation usage with the source of water as Rose Lake and an in-stream stock watering usage from an unnamed stream.

We have completed the review and preliminary recommendation for this claim and have recommended a water usage for irrigation of 3 acres from Rose Lake. We were unable to recommend the stock water usage because there can be no more than one source per water usage per claim.

If you would like to file an additional Notice of Claim to a Water Right for the in-stream stock watering usage, I have enclosed a blank Notice of Claim form which can be used for this purpose. There is a filing fee and that would be \$25.00. This is the type of water usage for which no claim is required. However, if you choose to file, please respond by the date listed above as we will be submitting our recommendations for all claims in this area within the next several months.

If you have any questions please feel free to contact me. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
