Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim 94-7428

Dear Claimants:

Idaho Department of Water Resources (IDWR) is completing Claim Recommendations to the Court for the CSRBA in Spring 2015. Our review of your Internet CSRBA Claim (94-7428) indicates that an Amended Claim is needed to make it consistent with Water Right License 94-7428 that was issued on September 25, 2012.

Please review, date, sign and return the enclosed Amended Claim as soon as possible to the address shown above. A copy of your original Internet CSRBA Claim and the License are also enclosed. No additional fee is required.

Please telephone me at (208) 762.2800 if you have questions.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
