RESPONSE DEADLINE: June 15, 2015

Dear Claimants:

Idaho Department of Water Resources (IDWR) is reviewing your Internet CSRBA claims for Stockwater use. Additional information is required from you for each CSRBA Claim before IDWR can complete Department recommendations to the Court in Spring 2015.

Please contact me as soon as possible to schedule an appointment at IDWR Northern by **June 15, 2015**. The purpose of the appointment is to review / amend your Claims and add evidence that Stockwater use had began on each of the Priority Dates claimed.

Enclosed are copies of each of the Claims listed above and maps that correspond to the Places of Use (POU) shown on each Claim. I can be reached via telephone at (208) 762.2800 or at the address shown above.

Respectfully,

A handwritten signature in black ink that reads "Shaun M. Maxey". The signature is fluid and cursive, with the first name "Shaun" being the most prominent.
