Re: Priority Date for water rights for parcel PIN No. 48N02W285000

Dear Steve,

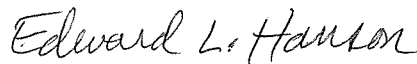

We are sending this note to support the fact that irrigation water drawn from Cave Lake was used on the property next door (see legal above) then owned by Walter Blessing. As we recall, that was around 1949 when they grew fruit, vegetables, and hay crops on that property. We grew up on the property next door to this parcel in question, and each of us lives adjacent to the property at this time. Please feel free to contact either of us if you have further questions.

The evidence of priority date for the CSRBA Claim on this property is 94-4080. Claimant owner: Donald and Marion Andersen.

Sincerely,

Robert D. Hanson
