Re: North Fork Reservoir Company, Inc., Water Right Number 21-2154, 21-2161 & 21-12946

Dear Judge Wildman,

Pursuant to your direction at the hearing on the above entitled water rights held on May 19, 2015, this letter is to confirm that after speaking with counsel for IDWR, it has been decided and agreed that an amended claim is not necessary as the modifications requested by Petitioner do not increase an element of the water rights. The modifications only add a remark recognizing the combined use limits of the water rights.

Therefore, we respectfully request that you order an Amended Director's Report be made on the rights which will allow the Director to correct the remarks as proposed. I have discussed timing of an Amended Director's Report with counsel for IDWR and IDWR requests a one-month deadline for submission of the Amended Director's Report.

Should you have any questions or concerns, please do not hesitate to contact me by any means appropriate.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry R. Rigby".
