RE: NIA CLAIM FILING 94-7073

Dear Mr. Griner,

Your claim above is filed with IDWR. No further clarification is needed to finish the claim of your water right.

The following issues simply clear up some requests you made in your claim. You indicated on your claim you wanted to receive the SRBA Court's Docket Sheet. Here is the information on the Docket Sheet taken from the SRBA website:

Q: What is the "docket sheet"? Where can I get a copy of the docket sheet?

A: The docket sheet is a chronological record of documents filed with the SRBA Court during a one-month period and includes a schedule of upcoming hearings for the next three months. The docket sheet does not include detailed information about the individual subcases. The docket sheet is published on the 7th day of each month and lists information for the previous month.

A subscription to the docket sheet is available for a fee of \$7.50 from the SRBA Court. The docket sheet is also available for inspection at all IDWR offices and each county courthouse within the boundaries of the SRBA. The docket sheet is also posted on the SRBA Web site at www.srba.state.id.us

I am returning your booklet on the 1910 Fires – it did not appear to be relevant to your claim as filed. If I am incorrect on this matter please let me know it's significance to the claimed water right.

If you have further questions on this water right, please feel free to call me at 208-287-4913.

Sincerely,

STEVE CLELLAND
