SUBJECT: Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Claim Number 94-8554

Dear Ms. Steichen:

I'm writing in regard to our phone conversation of Thursday, June 25, where we discussed the source of water for your domestic usage on the Shoshone county property as a spring rather than Daisy Gulch Creek.

Enclosed is a copy of the claim form. Under item three; would you please line out Daisy Gulch Creek and fill in "spring". Also, please line out tributary to South Fork Coeur d'Alene River and add in Daisy Gulch Creek. And, since this is a legal document, initial and date each change that's been made.

I would appreciate it if you would return this information, to my attention, by July 15, 2015. We will be submitting this information for inclusion in our Director's Report within the next several months.

Please feel free to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
