SUBJECT: Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Claim Numbers: 94-8919, 94-8920 & 94-8922

Dear Mr. Hendrickson:

I'm writing in regard to the above claims which were filed for a domestic usage from Daisy Gulch Creek. If you will recall, it was determined that the source was a spring tributary to Daisy Gulch Creek. Since the claim form is a legal document I am unable to recommend the source as a spring without first having an amended claim.

Enclosed are copies of the claim forms. Under item three; would you please line out Daisy Gulch Creek and fill in "spring". Also, please line out tributary to South Fork Coeur d'Alene River and add in Daisy Gulch Creek. Please initial and date each change that you make.

I would appreciate it if you would return this information, to my attention, by July 15, 2015. We will be submitting this information for inclusion in our Director's Report within the next month.

Please feel free to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
